

Century Pro Style™ SJTW Lighted Extension Cords (300V)

The best value for your money is our Century® Pro Style™ extension cord which offer the quality and features you need at a price you can afford. We use only soft-drawn, bunch-stranded 100% copper conductors for maximum flexibility and amperage transmission. The clear connector has a built-in neon light indicating that there is power in the receptacle, cord and outlet circuit.

Custom Print Available... Absolutely Free... Allow 7 Extra Days For Delivery!

We'll print your customer's name and telephone number every 12 inches down the entire length of the cord. Their printed cords will discourage theft when used at the jobsite; provide instant advertising; and company recognition which will promote more business.
